

The marina is situated in the Bristol City Docks Floating Harbour, offering attractive safe and secure moorings for boats to a maximum length of 21m (70ft).

Berths are serviced with mains electricity (240 volt), fresh water and telephone connections.

Our on-site facilities include:

- Private toilet and showers
- Car parking
- Launderette
- Bottled propane, butane and LPG
- Elsan disposal
- Wireless Internet access

Berthing periods are available from single day to annual and with a variety of payment options offered. A limited number of berths are allocated for residential use (subject to conditions).

Marina berth charges are subject to a minimum length of 6 meters. Rates for Multi-hulls, commercial and certain other vessels are subject to individual quotation. Click [here](#) for the berthing price list.

Security

Bristol Marina is equipped with secure access, 24 hour CCTV and security lighting. A staff member is always on the premises.
